ACKNOWLEDGEMENTS

In editing this volume, I was the beneficiary of the never flagging support and always generous assistance of the general editor of the American Maritain Association series, Michael D. Torre. Many thanks go to Dominic Colvert at Solas Press for taking the rough hewn manuscript of the book and giving it its final, polished form. Family and friends also helped, providing inspiration and encouragement along the way. My deepest thanks go to my father and mother, for their constant love and support.
