

Midwest Numerical Analysis Days 2012

May 12-13, 2012
University of Notre Dame

PLENARY SPEAKERS

1. Chi-Wang Shu, Brown University
2. Eitan Tadmor, University of Maryland, College Park
3. Suncica Canic, University of Houston

ORGANIZERS

Yongtao Zhang (y Zhang10@nd.edu)
Zhiliang Xu (zxu2@nd.edu)
Andrew Sommese (sommese@nd.edu)
Gretar Tryggvason (gtryggva@nd.edu)
Joannes Westerink (jjw@nd.edu)

The conference is organized to provide an open opportunity for faculty, postdocs and graduate students in numerical analysis, scientific computing and related application areas, mainly from the Midwest region, to get together, exchange ideas, and promote collaborations. The conference will include 25-minute contributed talks in two to three parallel sessions. There is no conference registration fee. However, advance registration is required. Partial support for graduate students and postdocs is available if they present a contributed talk accepted by the conference.

Acknowledgements:

We gratefully acknowledge the financial support of the NSF [Institute for Mathematics and Its Applications \(IMA\)](#) in Minneapolis and the [Department of Applied and Computational Mathematics and Statistics \(ACMS\)](#), [Center for the Study of Biocomplexity](#), and the [College of Science](#), at the University of Notre Dame. The conference is sponsored in part by the Nieuwland Lectureship Series.

Contributed talk [abstract submission](#) (deadline May 1, 2012)
