

**UNIVERSITY OF NOTRE DAME
STUDENT HOST STATEMENT**

I, _____, will be acting as a student host during the official campus visit of _____. Accompanying this responsibility, I have been given cash (not to exceed \$30 per day, \$45 per day if hosting two prospects) for entertainment purposes. I understand that I am to use this money for such purposes and that it is not permissible to buy souvenirs (sweatshirts, baseball caps, etc.) for the visiting prospect with these funds. Under no circumstances may I give the money directly to a prospect for use at his/her own discretion. I have been informed by the coaching staff that to make such purchases, or to provide the prospect with any cash, would constitute a recruiting inducement under NCAA legislation and would jeopardize the prospect's eligibility to play for Notre Dame.

I have read the above and understand the rules involved.
