E-Mail address: adutt@nd.edu

Date of Birth: 19 August 1955 Sex: Male Citizenship: Indian
Marital Status: Married, one son Immigration Status: Permanent resident, USA

EDUCATION

Undergraduate Studies:

Presidency College, University of Calcutta, 1972-75

B. A. in Economics, 1975, Gold Medal (ranked first), University of Calcutta, B. A. Examinations in Economics. Minor: Mathematics.

Graduate Studies:

University of Calcutta, 1975-77

Major fields: Advanced Economic Theory and Agricultural Economics

M. A. in Economics, 1977

Gold Medal (ranked first), University of Calcutta, M. A. Examinations in Economics.

Massachusetts Institute of Technology, 1978-1982

Ph. D. in Economics, 1983

Thesis Title: Essays on Growth and Income Distribution in an Underdeveloped Economy

Major fields: Development Economics, International Economics

Minor fields: Advanced Economic Theory, Economic History

TEACHING EXPERIENCE AND OTHER PROFESSIONAL POSITIONS

Massachusetts Institute of Technology, Department of Economics
Teaching Assistant, Fall 1980 to Summer 1982.

Florida International University

Department of Economics

Visiting Assistant Professor, Fall 1982-Spring 1983

Assistant Professor, Fall 1983-Summer 1987

Associate Professor, Fall 1987-Summer 1988

Graduate Program in International Studies

Associate Director, Fall 1986-Summer 1988

University of Notre Dame

Department of Political Science, July 2010-date

Professor of Economics and Political Science

Department of Economics

(Renamed: Department of Economics and Policy Studies, from 2003)

Associate Professor, August 1988-August 1990

Professor, August 1990-June 2010

Acting Chairperson, August 1990-August 1991

Chairperson, August 1993-August 1996, August 1996-August 1999

Helen Kellogg Institute of International Studies

Faculty Fellow, 1990-date

Joan B. Kroc Institute of International Peace Studies

Faculty Fellow, 2004-date

Political Economy track Director, MA in Peace Studies, 2004-06

Director, Minor in International Development, 2010-date

Courses taught

Undergraduate courses:

Micro-behavior and macro-outcomes (first year writing seminar)

Economics and happiness (first year writing seminar)

Introductory microeconomic theory

Introductory macroeconomic theory

Intermediate macroeconomic theory

International Development

International Political Economy
International trade
Open economy macroeconomics
Development economics
Mathematical economics
Consumption and happiness (both upper level seminar and lecture format)
Economics of war and peace (upper level seminar)
Economics, Ethics and Public Policy (upper level seminar)
World poverty and inequality across nations (upper level seminar)
Senior Thesis Colloquium

Graduate courses:

For economics PhD students:

Macroeconomic theory
Advanced macroeconomic theory
Theory of growth and distribution
Development economics
International trade
Topics in international and development economics: North-South interaction and uneven development
History of economic thought
Political economy (non-orthodox approaches to economic theory)
Mathematics for economists

For other graduate students:

Political economy of war and peace (for Peace Studies Students)
Political economy of development (for International Studies Students)

Other positions:

Pontificia Universidade Catolica do Rio de Janeiro, Brazil, Department of Economics
Visiting Professor, June-July 1986 - lectured on: Growth, distribution and inflation

Cambridge University, UK

Faculty of Economics and Politics, Visiting Fellow, January-March 1990
Wolfson College, Cambridge, Visiting Fellow, January-March 1990.

University of Pavia, Italy, Department of Economics and Quantitative Methods

Visiting Professor, May 1993 - lectured on: Growth, distribution and uneven development

University of Innsbruck, Austria, Institut fur Wirtschaftstheorie

Visiting Professor, May 1996, lectured on: Growth, distribution and uneven development

Visiting Professor, April 2000, lectured on: North-South interaction and uneven development

Visiting Professor, November 2001, lectured on: Globalization, uneven development and international institutions

Visiting Professor, May 2004, lectured on: International Development and international

institutions

Visiting Professor, June 2006, lectured on: International Institutions, Global Efficiency and Equality, and International Development

National Autonomous University of Mexico (UNAM), Mexico City, Mexico, Department of Economics

Visiting Professor, March 1997, lectured on: Growth, distribution and uneven development

Facultad Latinoamericana de Ciencias Sociales Sede (FLACSO), Quito, Ecuador, Department of Economics

Visiting Professor, July 2007, lectured on: Analytical Political Economy of Development

University of Paris I: Pantheon-Sorbonne, Paris, France, Department of Economics

Visiting Professor, March 2010, lectured on; Macroeconomic Theory, Growth and Distribution.

San Francisco University, Quito, Ecuador, Department of Economics

Visiting Professor, June-July 2010, lectured on: Heterodox Approaches to Development Economics.

University of Paris XIII, Paris, France, under the program Chaires d'accueil, DIMeco, financed by Ile de France.

Visiting Professor, to visit: May-August 2011.

Consultant

Center for Economic Education, State of Florida, 1982-4.

World Institute of Development Economics Research, United Nations University, Helsinki, Project on Short-run Macroeconomic Issues for Developing Countries, 1987-88.

World Institute of Development Economics Research, United Nations University, Helsinki, Project on Medium Term Development Strategies and Environment-Macro Interactions, 1992-95.

World Institute of Development Economics Research, United Nations University, Helsinki, Project on Transnational Corporations and Development, 1995-96.

Center for Economic Policy Analysis, New School of Social Research, Project on Social Consequences of Globalization, 1998-99.

INTECH, United Nations University, Project on Technological Change and Industrial Structural in the Global Economy, 1998-99.

Center for Economic Policy Analysis, New School University, and Ford Foundation, Project on Globalization, 2000-02.

Initiative for Policy Dialog, based at Columbia University, Task Force Member, Macroeconomic Policy Program, 2003.

Indian Council of Social Science Research, project on macroeconomics, 2010-11.
