Department of Aerospace and Mechanical Engineering

Application to the Graduate Studies Committee  
for Formation of the Doctoral Committee

---

Student's Name: \_\_\_\_\_

Research Area: \_\_\_\_\_

Approximate Date of Candidacy Exam \_\_\_\_\_

.....

The following faculty have agreed to be part of the doctoral committee. They will be responsible for conducting the student's candidacy examination and dissertation defense. Unless special circumstances warrant, at least two of the three committee members should be from the AME department. Final decision on the make-up of the committee, and/or substitutions in case of absence of faculty, will be made by the Graduate Studies Committee.

Important! Any committee member who is from the University but outside of the AME department, or is from outside of the University, requires special approval from both the Graduate Studies Committee and the Graduate School. In those instances, please contact the graduate administrative assistant before completing this form.
