

TITLE OF YOUR ABSTRACT

Author(s) names (First Last, First Last...)

Faculty Advisor: Dr. Goodprofessor

Introduction

Put text here

Methods/Theory (add headings as necessary using the Style Heading 1)

Depending upon your research, you may need to describe methods or theoretical concepts, or both

Results

If you have done experiments, you obviously need results.

Don't indent paragraphs. A blank line should appear automatically.

Conclusions / Discussion

Depending upon the type of work you did, you may have a discussion section, or you may have conclusions, or both.
