AME30362: Fall 2009 Design Methodology
Confidential Peer
Project 3 – Phase II: Product Requirements

Submit a completed copy of this form to your instructor by 11:00 a.m. on Thursday, Nov. 5, 2009.

Place the completed form in a sealed envelop with your name printed on the front of the envelope.

This form, OR A REASONABLE REPLICA, should be used to provide a confidential evaluation of each member of your project group - **INCLUDING YOURSELF**. Rate each member of the team in each area, on a scale from 0-10 with a ten being the highest rating. **THE AVERAGE FOR THE ENTIRE GROUP MUST BE "5" FOR EACH CATEGORY.** You have a total of 5 x (the number of people in your group) points to distribute to all the group members in each category and non-integer values are allowed. You will have to select your own relative merit on that scale. **PLEASE compute the totals in all the columns and rows to check your distribution of credit.** In order to receive credit for this project, a correctly completed Peer Review must be submitted.
