

The next 10 weeks....

How will you evaluate your concept?

- “Many” informally documented engineering studies
 - Research studies
 - Feasibility studies
 - Component selection studies
 - Trade studies
 - Design optimization studies
- Formally Documented Engineering Feasibility/Trade Studies
 - One for each team member
 - Ideally on a “topic” of strategic importance to the concept
 - Level of effort – approximately 1 work week...
 - Due Feb. 28th
- Virtual Model/s
- Prototype/s
