

UNIVERSITY OF NOTRE DAME
DEPARTMENT OF AEROSPACE AND MECHANICAL ENGINEERING
AME40463: Senior Design Project

Prototype Display Schedule
Prepared by: M. Giordano

- 9:00 TA's arrive and begin set-up
- 9:30 Groups in-place, set-up, and ready for demonstration
- 9:30 – 12:00 Instructors and TA's visit each group filling out evaluation form
Groups entertain questions/comments from observing public
Feel free to observe the work of your peers as long as there is always someone present at your own display.
- 12:00 Groups begin disassembling display and clean up their area
- Fold table and cloth – stack at end of hallway
 - Ensure no trash is left in your area
