

Big Red Insider

Volume: Stache Bash

Try the Happy Meal

The Insider before Friday? Is that right? Yes, sirree. See, the Insider had a lot of time to write itself during the Super Bowl on Sunday. Instead of watching a terrible game with terrible teams and terrible refs and terrible uniforms, the Insider was busy at work, bringing you the latest news from around Dillon and around the Dome. This is a big weekend for you all, so don't waste it puping (a combination of pooping and puking and maybe even a little urination) in the 2nd floor bathroom (or on the bus – an extra \$100 bucks, plus probably a meeting in 305 Main Building). 2nd floor Phantom Puper, you owe your body an apology...and whoever had to clean that mess up.

Campus Events

Keenan Revue

Thurs., Fri., Sat. Night – Somewhere at St. Mary's

For you frosh, this is Keenan Hall's attempt to outdo our Pep Rally. Except they fail miserably. The only way you might enjoy this is if:

- You are a SMC Chick
- You find armless baby jokes hilarious
- You were upset when Zahm puked on Keenan
- You consider that second cartoon in The Observer even remotely funny

So in short, if you were actually dorky enough to stand in line for hours and get a ticket, sell it—even for a loss.

Second City Comedy Show

Fri. Feb. 17th Washington Hall (Tix on sale now)
Watch the next SNL hopeful while they're still kind of funny.

General Election Debate

Thurs. Feb 9th Lafortune 8pm

When will they learn we don't care? Honestly, the Insider is pretty angry about the lack of candidates that just do it to bring funny resolutions forward. So here it goes, issues the Insider would push if it could:

- Permanently change "February" to "Black History Month"
- Change Holy Cross to ITT Tech
- Invite Planned Parenthood to hand out hefty trash bags to freshman in order to conserve other forms of contraception

Dorm Events

Stache Bash

Sat. Feb. 11th, 10:30-1:30am Beacon Bowl, \$15 (Tickets in 354, shirts are in too)

This is it fellas. The countdown has begun and you guys better get excited. You only have a few short days to grow out that stache—even though for some of you pasty Micks, a few extra days may not help. Here's the scoop (at first it wasn't official, but now it is since I've been too lazy to hang this up), dates can come over at 9:00. All freshman and most of the sophomores should take the 10:00 bus and then everyone else take the 10:30 bus. These buses need to be filled or else some of you won't be getting a ride over there. This bash will be a blast. Enjoy bowling, chicks, pizza, 21+ bar, karaoke, and of course, dancing. Cause your friends don't dance and if they don't dance, well they're no friends of mine. The theme is a mock formal, so if you can't find a ride to the Salvo, ask your RA and he should have a plan. See you there.

Dillon's Brand-New Website

<http://www.nd.edu/~dillon>

Props to Billy Gallagher who started from scratch and has done a great job with the new website. You can find pretty much anything Dillon-related on the site, from 'Stache Bash pics to Bullwinkle's own website to past issues of the Big Red Insider (they're going to be worth something someday). Check it out, because it is sweet.
