Notre Dame vs. Navy: Glee Club Style
Sat. 8pm, DPAC

Navy, for the third year in row, are 13.5-octave underdogs. Watch out for Navy sophomore Ryan Gilbur. He's a homerun threat at the tenor position. Hit it up.

Octave – n. ($\text{ōk}^{\prime}\text{tīv}$, $-\text{tā}^{\prime}\text{v}$) The interval of eight diatonic degrees between two tones of the same name, the higher of which has twice as many vibrations per second as the lower.

Slam Poetry Style

Thurs. Nov. 10, 10pm LaFortune

In honor of this super sweet event put on by our friends at SUB, the Insider has decide to write it's own Slam Poetry, in haiku version of course.

Charlie is a God,
Sent from the heavens above,
No more high school 'O'.

Coming Soon: "Better than Ezra"

presented by Dillon Hall

Fri. Dec. 2, Stepan Center

I can tell you one thing: this concert will be "better than" Cake and Akon's earlier this year. These guys are pretty good at sticking it to the man.

Mark Your Calendars: Christmas Dance
Fri. Dec. 2nd South Dining Hall

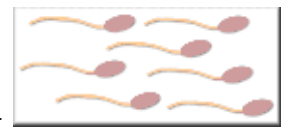

The theme is still not set in stone, but this should be one of the best dances...ever. Listen, as you saw on the 'Campus Events' side, we were able to arrange the band "Better than Ezra" to play at our dance, but unfortunately they need to play earlier, so we gave in and let them play to the entire campus. Last dance we hosted Vince Vaughn before our dance and this dance we're presenting "Better than Ezra". How sweet is that? Rest assured, we talked to the band and you'll be able to attend both. Oh, and shirts for this dance will be in sometime in February. (If you're wondering about the Big Red Dawg shirts, we've been waiting for 2 weeks for Student Activities to approve them. We're hoping mid-next week)
