

EE 698D – Advanced Semiconductor Physics

Tuesday, Nov 30th – Optical Properties of Heterostructures
Thursday, Dec 2nd – Dr. Prood (Transport in semiconductors) + Course Evaluation
Tuesday, Dec 7th – Me (Wrap up) + Final Assignment Due
Thursday, Dec 9th - Reports due + Open Discussion

Monday, Dec 13th (10:30 am – 12:30pm) – FINAL TALKS

Total time allotted – ½ Hour for each talk.

20 minutes talk and 10 minutes questions/discussions.

(Good Advice - Practice and time yourself before the final talk!).

There will be no extra time available – we do not have the room after 12:30 pm.

Starting tomorrow (11/30/04) - Fix a meeting with me for ½ Hour to discuss your preliminary reports, deficiencies, and plans for the final report and talk.
