

Erasmus Institute Residential Fellowship Application Form for postdoctoral applicants

All application materials, including letters of recommendation, must be received by January 28, 2005. *
All application forms and supporting materials, including letters of recommendation, must be submitted in **hard copy format**. No application materials will be accepted through electronic submission.

A complete application consists of the following:

1. this form, typed or printed, and signed
2. two copies of your current curriculum vitae
3. three (3) letters of recommendation, sent under separate cover by the referee
4. two copies of your research project statement (in English) following these guidelines:
 - no more than three double -spaced pages
 - describe the work proposed for the fellowship period and provide a project title
 - specify how the research draws upon or explores Catholic or related intellectual or cultural traditions
 - explain its significance for larger scholarly concerns and expected outcome of the research (a book, series of articles, etc.)
5. **For postdoctoral fellows who are ABD at the time of application**, one of the referees must be the supervisor of the dissertation and must sign the PhD Anticipated Completion Form.

Postdoctoral Fellows are fellows holding relatively recent PhDs who **do not hold regular faculty appointments** at other institutions. Postdoctoral Fellows are awarded a \$35,000 stipend issued bi-weekly through direct deposit and, upon request, are afforded basic (single coverage) medical benefits through the Erasmus Institute. They will be expected to teach one undergraduate course during AY 05-06.
