Communications with and among our members is currently a hot topic for the IFRT Executive Committee. To get your input they will shortly send out a electronic survey to IFRT members. When you receive it, please take a few minutes to fill it out. It is really short and to the point, promise! In addition we are considering reorganizing things a bit to improve our communications by bringing all publications (e.g the IFRT Report) and communications (e.g. our list) under one committee. Please send us your suggestions.

Now, more than ever, is the time to speak up and speak out for intellectual freedom! Share your stories, news and opinions with your colleagues by sending them in to us for publication.
