**We will drive to the Center

**We will park next to the
Center for Children and

Walkway

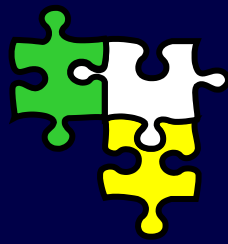

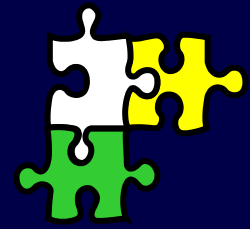

Front Door

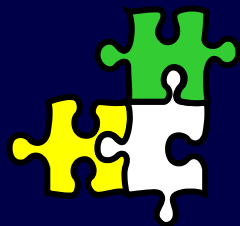

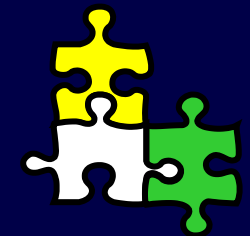

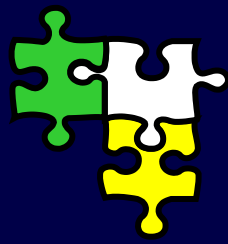

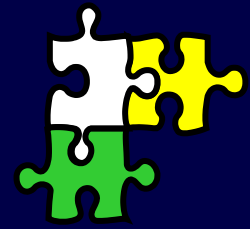

I will walk with my family
to the front door

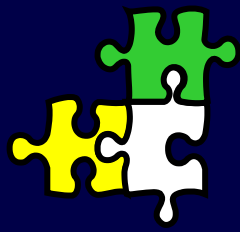

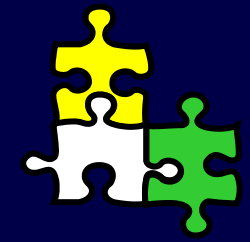

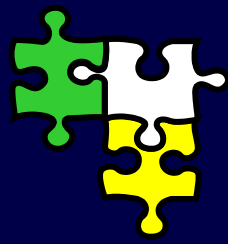

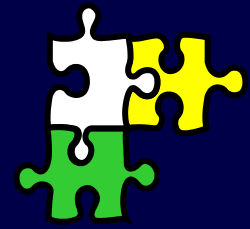

**A staff member will be
waiting at the front
desk for me**

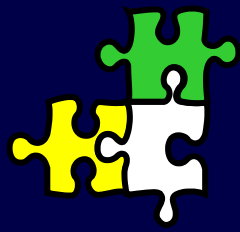

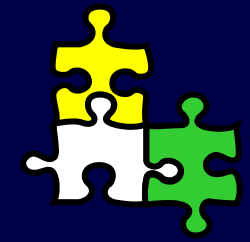

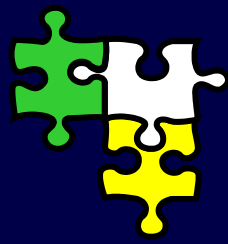

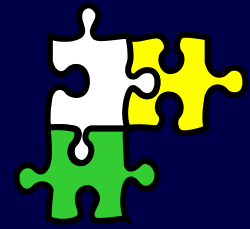

**I may have to wait in the
waiting room for a minute
or two**

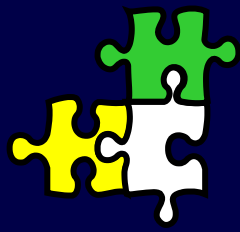

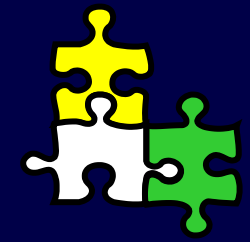

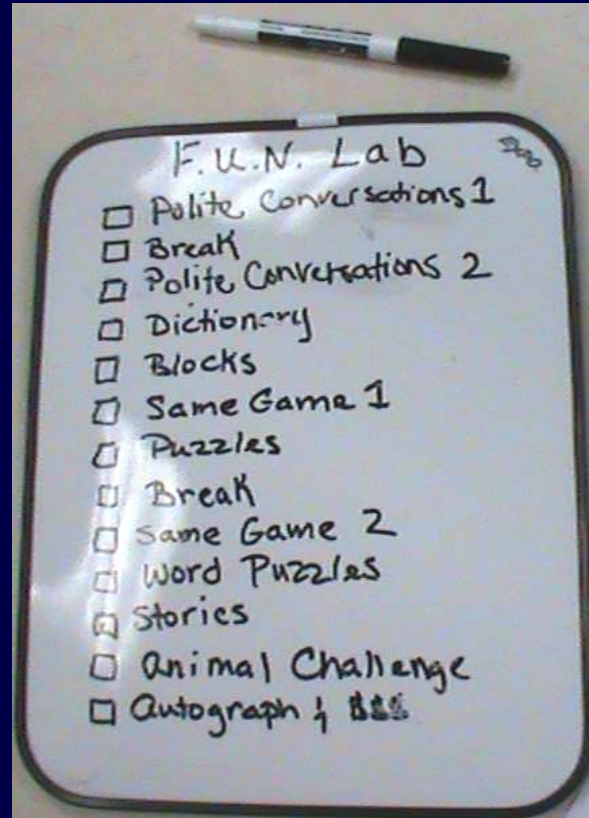

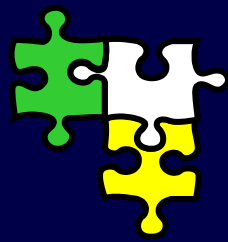

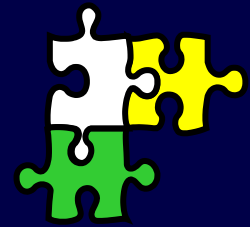

**Someone from the F.U.N.
Lab will greet me and lead
me down the hallway to
the F.U.N. Lab rooms**

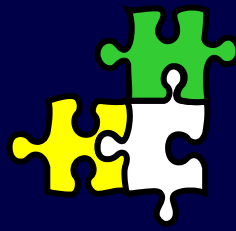

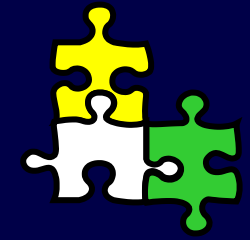

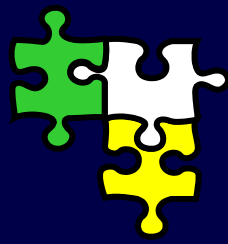

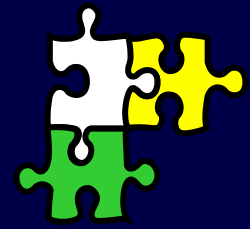

**I will sit with my family
and learn about the
research study**

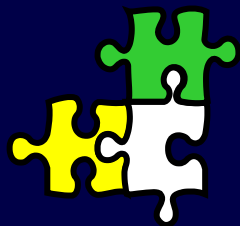

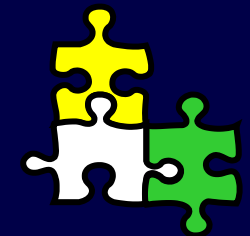

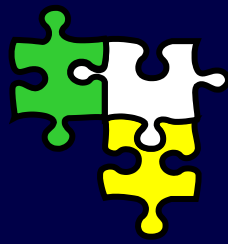

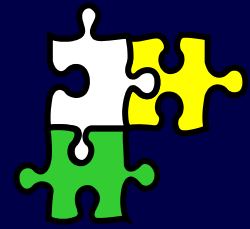

I will get a checklist of all
the things I will do

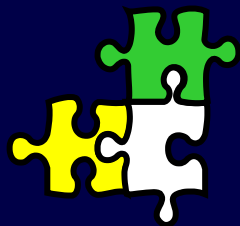

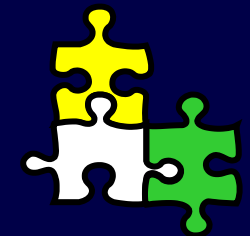

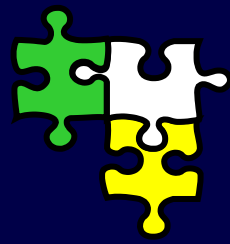

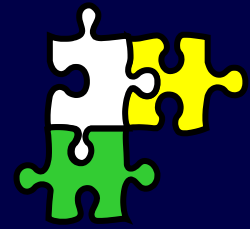

Next I will go into the F.U.N. Lab with a staff member and we will start. Many people have fun, and I will have fun too!

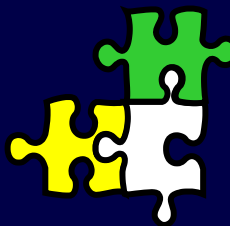

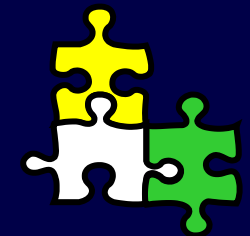

**Some activities are like doing puzzles,
and others are like word games.
Sometimes I will tell stories, or listen
to stories and answer questions**

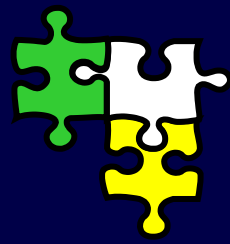

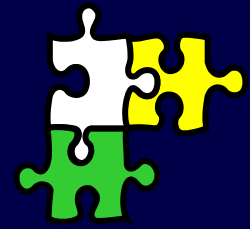

I will have my checklist with me so I can see how much I have left to do. I can always ask to take a break. I can say “May we take a break?”

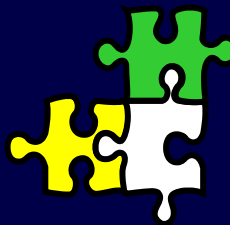

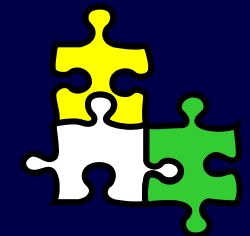

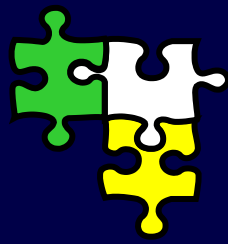

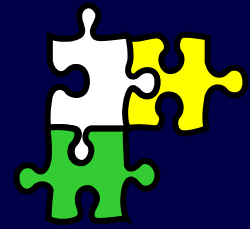

If I am hungry I may have a snack during my break

I will try to do my best on all of the activities. It is important to do my best so Dr. Diehl and the F.U.N. Lab can complete their science project

**If I finish all of the activities
and try my best, I will receive
\$30 at the end of the visit**
