

Quizzes for Math 10120, Fall 2017

Six quizzes will be given in class on the dates shown below. Each quiz will be worth 10 points. The lowest quiz grade will be dropped. The quizzes will be worth a total of 50 points out of the 600 points used to calculate your final grade. Each quiz will have 2 multiple choice questions. The material covered by each quiz will be announced prior to the quiz. This will be recent material from class and tutorials. You will be allowed to use calculators on your Quizzes. You may not collaborate on any Quiz.

All quizzes will be given in class. There will be no make up quizzes. (If you miss a quiz because of an excused absence, please provide your instructor with the proper documentation from your advisor or a Dean from First Year of Studies.)
