

## This is Gigapixel Creative, Inc.

<http://www.gigapixelcreative.com/>

**We make big ideas, Bigger!**

Gigapixel Creative is a New York based, customer focused graphic design firm at the forefront of innovation and ingenuity. We offer award-winning designs along with consulting, marketing, development, and technology support services. Of distinction is one of the industry's top creatives with over ten years of experience working with companies that span a spectrum of industries - from film and music entertainment to pharmaceuticals. **Our work is best described as digital art with the ability to provide businesses with fresh new looks that captivate audiences.** In an age of fierce competition, we recognize that the utilization of multimedia to establish company, product, and brand awareness is crucial.

**At Gigapixel our philosophy is simplicity, functionality, and end user appreciation.** We pride ourselves in achieving our deliverables in a uniquely time efficient and thorough design process. With every design our goal is to create an image for your business that is unique and eye-catching to new and prospective consumers.
