

California Recall

- News reliability $\frac{\text{hours of "news"}}{\text{hours that news programs are broadcast}}$
 - Evidently low
- Election modulus $\frac{\text{number of candidates}}{\text{number of voters}}$
 - Still smaller than Montana!
- Issue number $\frac{\text{number of women accusing Arnold}}{\text{number of new entitlements passed in Sacramento}}$
- Outcome number $\frac{\text{Arnold's neck size}}{\text{Davis's neck size}}$
- Remaining open question? $\frac{\text{Bill O'Reilly's Ego}}{\text{Rush Limbaugh's "appetite"}}$
