

Final Exam Bonus Questionnaire, due May 3

You will receive 10 points on the final for turning this in by the time of the review session on May 3.

Was your topic for the project interesting?

Was the material you used written at an appropriate level?

Did you find doing the research and writing the paper worthwhile?

Should a paper/project be part of the course in the future? If so, do you have any suggestions for improving such an assignment?

If a paper/project is part of the course in the future, do you have any comments about your topic which you think should be passed on to students considering the topic in the future?
