

Hon. Patrick J. Leahy
Chairman, U.S. Senate Committee on the Judiciary
433 Russell Senate Office Building
Washington, D.C. 20510

Hon. Jefferson B. Sessions
Ranking Member, U.S. Senate Committee on the Judiciary
335 Russell Senate Office Building
Washington, D.C. 20510

Dear Chairman Leahy and Ranking Member Sessions:

We the undersigned professors of law write in support of the confirmation of Judge Sonia Sotomayor as an Associate Justice of the United States Supreme Court.

As a federal judge at both the trial and appellate levels, Judge Sotomayor has distinguished herself as a brilliant, careful, fair-minded jurist whose rulings exhibit unflinching adherence to the rule of law. Her opinions reflect careful attention to the facts of each case and a reading of the law that demonstrates fidelity to the text of statutes and the Constitution. She pays close attention to precedent and has proper respect for the role of courts and the other branches of government in our society. She has not been reluctant to protect core constitutional values and has shown a commitment to providing equal justice for all who come before her.

Judge Sotomayor's stellar academic record at Princeton and Yale Law School is testament to her intellect and hard work, and is especially impressive in light of her rise from modest circumstances. That she went on to serve as an Assistant District Attorney for New York County speaks volumes about her strength of character and commitment to the rule of law. When in private practice as a corporate litigator in New York, she was deeply engaged in public activities, including service on the New York Mortgage Agency and the New York City Campaign Finance Board, as well as serving on the Board of Directors of the Puerto Rican Legal Defense and Education Fund.

Her career won bi-partisan respect, which led to her becoming a U.S. District Court judge (nominated by President George H.W. Bush on the recommendation of Senator Daniel Patrick Moynihan, and confirmed by a majority Democratic Senate in 1992). Her performance on the district court solidified Judge Sotomayor's support, and in 1998 she was elevated to the Second Circuit (nominated by President Bill Clinton and confirmed by a majority Republican Senate).

Judge Sotomayor will bring to the Supreme Court an extraordinary personal story, academic qualifications, remarkable professional accomplishments and much needed ethnic and gender diversity. We are confident that Judge Sotomayor's intelligence, her character forged by her extraordinary background and experience, and her profound respect for the law and the craft of judging make her an exceptionally well-qualified nominee to the Supreme Court and we urge her speedy confirmation.

Sincerely,
