

**ASSUMPTION OF RESPONSIBILITY FOR PAYMENT
OF TRAVEL AND LODGING EXPENSES**

The Notre Dame Law School will make travel arrangements for _____ to attend the _____ competition, for the date(s) _____, 200__, to _____, _____. For any travel that includes the pre-purchase of non-refundable airline tickets, it is necessary that the student acknowledges that he/she will be held financially responsible if he/she cancels his/her travel plans and the non-refundable ticket goes unused. An exception to this rule will be made in circumstances of family emergency or medical necessity. Documentation of such circumstances may be required. Also, unused hotel reservations not properly canceled by the student are not reimbursable by the University.

I, _____, acknowledge that I have read and understand the above-stated policy regarding travel and agree to be financially responsible for the cost of the non-refundable ticket purchased on my behalf by the Law School if I cancel my travel plans for reasons other than those listed above.
