

HARASSING TELEPHONE CALLS FROM OFF CAMPUS

SBC Ameritech Annoyance Call Bureau (AACB)
Monday – Friday, 8 AM – 5 PM
1-800-769-4099

The Ameritech annoyance Call Bureau has the responsibility to assist the Notre Dame Security Police Department in the investigation of threatening, obscene, or harassing telephone calls that are made from off campus. These types of calls are illegal under Indiana Criminal Code #35-45-2-2.

If the calls that you receive are continuing and you expect more to be received, then you will want to report the calls to the Notre Dame Security Police Department at 631-5555. You will need to know the case number of the report that you filed. A space below is provided to you to write down the case number for later reference for the Annoyance Call Bureau.

In order for the telephone company to “trace” illegal telephone calls that you may be receiving, you **MUST** contact the Annoyance Call Bureau at their 1-800 telephone number listed above. It is important for you to understand that the telephone company cannot trace any phone calls that you receive without the Annoyance Call Bureau first setting up a telephone trap. Once they have set the trap up, all future calls that you receive will be captured by the Annoyance Call Bureau special equipment that will provide the telephone number of the calling party. The Annoyance Call Bureau will give you instructions on how to report future calls to them.

When you originally contact the SBC Ameritech Annoyance Call Bureau, they will be asking you a series of questions, including the case number of the Notre Dame Security Police report that you filed, along with the contact person’s name and phone number at the department.
