NARRATIVE
The driver of vehicle # 1, Terron Phillips, tx# 287-6395, work # 631-6537, stated that he was driving onto Cavanaugh circle from Cavanaugh Drive when he ran into the bicyclist, Mike Smoljan. Terron said that there was a dump truck at the dock of LaFortune that blocked his view as he drove onto Cavanaugh Circle. He made contact with the rear wheel of the bike. Both parties exchanged information at the scene.
I spoke with Mike Smoljan who was riding the Roadmaster bike. Mike said that he was riding east towards Stepan center when he went around the dump truck at the back of LaFortune. Mike said that he was able to see the white truck approaching but was unable to avoid getting hit by the truck in Cavanaugh circle. Mike said that he did not fall from the bike as he was preparing to jump off prior to the collision and that he was unhurt as well.
I advised Mike that he can take his bike over to our bike repair shop to get his bike fixed.
