See below for crimes reported by non-police for the calendar year 2011.

Note: Incidents with a case number that start with "N/A" involve information received from university officials, who may be defined by federal law as "campus security authorities" but who are not Notre Dame Security Police staff. These administrators have shared non-identifying information. In these incidents, the victim did not file a police report, and therefore, it is not always possible to provide information regarding the areas typically covered in the crime log (e.g. Nature/Classification, Date Reported, Date Occurred, Time, General Location and Disposition). Because a police report was not filed there will be no disposition. These incidents are reported to NDSP for statistical purposes and are posted to the crime log as the information is received by NDSP.
