* This Clery Report Daily Log entry, initially published on 12/07/2018, was republished on 12/10/2018, after it was discovered that the version initially published on 12/07/2018 inadvertently included a number of Liquor Law violations that were reported previously and that should not have been reported again on 12/07/2018. This republished version of the 12/07/2018 Clery Report Daily Log has been updated to remove the previously-reported Liquor Law violations.
