"A" decals are valid in "B" lots. "B" decals are valid in any "B" lot. If a lot is overcrowded, contact Security/Parking for information about where to park. Decals will be re-issued annually. **"B" decals authorize parking on the central campus for one hour** in non-reserved spaces for purposes of conducting official business. "B" decals are valid in central campus lots week-days after 5 p.m. and all day on weekends.

- Faculty, staff or student vehicles may display no more than one decal at the same time.
- Do not block any handicapped ramp, violators will be ticketed and towed.

Registered vehicles will be assigned to specific parking areas. If lots are overcrowded, contact Security/Parking for information — don't park improperly. Students may use White Field north of Douglas Road on days of home football games.

Students may only register vehicles belonging to them or their immediate families. Exceptions must be approved by Security. Refer to the vehicle registration form or contact Security for more information.

Handicapped spaces are provided at various locations; contact Security/Parking for more information.

For students, gate officers may grant special permission for a one hour pass (60 minutes) for entry to campus. Such permission is for loading or unloading but not for parking on campus. Student vehicles entering campus must obtain and display a valid special pass at all times. Staying overtime on campus will result in a fine.

Special permission requiring more than 60 minutes should be obtained well in advance from the director of Security.

SPECIAL RESTRICTIONS — FOOTBALL HOME GAMES

Parking is prohibited after 6 a.m. on Saturdays of home football games without special football parking pass in Lot C1, Gold Lot, B3 (Joyce

Center), B1, E1 (Visitor), B1 Lots north of DeBartolo Performing Arts, Raclin Carmichael Hall, B2/Library Lot, University Club, Bookstore Lot, Library Circle, A6 (near Campus Security) parking areas on Moose Krause Circle and the short term parking areas east of the old Post Office and west of the Hesburgh Center. Vehicles left in the above listed lots will be towed at owner's expense beginning at 6 a.m. Student parking is available in D2, D6, Pendle Lot (north of Douglas Rd.) and at graduate residences (with appropriate decal). Student parking without special passes is prohibited in all other areas on game day. Faculty and staff may use B16 as space permits. Three and one-half hours prior to kick off and two hours after the game ends, special traffic restrictions are imposed on roads near campus by University, local and state police. Regular faculty/staff and student parking assignments are not available game day. Please follow directions of police. Most roads leading to campus become one-way and motorists must follow directions of police officers. Access to campus lots is restricted to a special pass during one-way traffic pattern. Motorcycles, vehicles with trailers and large trucks are prohibited in all lots on game day. RV parking on game day is allowed only from 7:45 a.m. to three hours after the game in Pendle Lot. All lots close three hours after the game.

SNOW REMOVAL GUIDELINES

Effective January 1 through March 15 special guidelines are in effect for parking in any faculty/staff lot. All vehicles are to be removed from faculty/staff parking lots before midnight each night except the B2/Library Lot where vehicles must be moved by 2:30 a.m. Vehicles left in faculty/staff lots will be towed at owner's expense to another University parking area. Vehicles will also be towed from all roadways, sidewalks, loading zones, time zones and traffic circles.

Student parking lots will be plowed when passage becomes difficult or hazardous and the faculty/staff lots are cleared. Normally this would occur 36 to 48 hours after a significant snowfall. Major snowstorms will delay this process.

Once Resident Assistants receive notice to move student vehicles so a specific lot may be plowed, students will have until the designated time given in the notice to move their vehicle to a specified area. All vehicles must be removed from the designated temporary lot within 24 hours or whenever normal assigned lots are clear, whichever comes first.

In the D2 lots, spaces at the east end of the lot are closed to parking for snow removal. Vehicles parked in these spaces may be towed at the owner's expense. Shovels will be available at Landscape Services and Security for those who cannot wait for lots to be cleared. Owners of vehicles that are plowed in should contact Landscape Services for assistance at 631-6537.

MOVING TRAFFIC VIOLATIONS

- Everyone is expected to comply with Indiana law regarding the safe and lawful operation of a motor vehicle. The motor vehicle code is enforced on campus.
- Access to the central campus is via the Main Gate and the East Gate and then only with permission. Access via any other gates or by sidewalks, etc., is prohibited unless specific permission has been granted.
- Speed limits on campus are 20 miles per hour. Limits on roadways adjacent to campus are posted.
- Indiana law requires seatbelt use. Buckle up for safety!

TOWING

Vehicles may be towed away or immobilized at the owner's expense for the following reasons with no liability by the University:

- Parking on roadways, sidewalks, grass areas, driveways or fire lanes.
- Any vehicle owned or operated by a person against whose vehicle(s) four citations have been issued.
- Any vehicle not displaying proper parking decal or in unauthorized areas.

- Any vehicle parked in violation of Special Football Parking Restrictions or snow removal guidelines.
- Any vehicle blocking trash receptacles or loading areas.
- Any vehicle parked in handicapped spaces without designated permit.
- Any abandoned or junk vehicles. (Refer to Indiana Laws.)
- Any reserved space or area.

Note that the towing company charges a daily storage fee in addition to a fee for towing.

PAYMENT OF FINES, PENALTIES AND APPEAL PROCESS

The first parking citation is generally considered a warning and no fine is assessed. University parking citations must be paid or appealed at the Parking Office, Room 119 Hammes Mowbray Hall, between the hours of 8 a.m. and 4:45 p.m., Monday through Friday, except holidays. Payments or appeals must be filed within 10 days of occurrence. Unpaid student fines will be placed on the student's account. All faculty and staff members must pay fines or file appeals within the same prescribed time periods. No decal will be issued to faculty or staff with unpaid fines. Payroll deduction is available for those desiring such arrangements.

CARD ACCESS TO LOTS

Cards used to access various lots on campus are issued by parking services to authorized faculty, staff and selected graduate students. Cards are not transferable and may only be used by the person to whom it was issued. A substantial fee is charged for replacement of lost or stolen cards. Cards issued to those without current decals may be deactivated.

BICYCLE USE, REGISTRATION, PARKING, AND OTHER RULES

Operate bicycles safely and courteously; follow university rules and state law.

Use of proper safety gear (helmet, etc.) is recommended. Bicycles are frequently targeted by thieves. Help prevent theft: properly lock your bike.

Register your bicycle with NDSP and display the tag visibly on the bike. Registration is free and can be completed on-line at www.ndsp.nd.edu or in person at Hammes Mowbray Hall.

Damaged or un-repaired bikes may not be stored or parked on campus.

Parking is available throughout campus at designated bicycle racks. Do not park bikes in buildings without permission from the hall or facility manager. Do not lock bikes to any tree, plant shrub or foliage. Do not park bikes or secure bikes to any entrance/exit ramp, stairway, or stairwell railing. Do not block any exit or entrance to a University building or in any areas prohibited by signs. Stunt riding, trick riding or free styling is not permitted on University property.

Bicycles parked or stored in violation of regulations may be removed and impounded at the owner's expense. Abandoned, unsecured or unregistered bikes may be impounded at owner's expense.

Bicycles must be removed from campus property before leaving for summer break or will be deemed as abandoned. Exceptions are made for summer session students who obtain a summer bike tag. Summer bike tags may be obtained from Notre Dame Security Police. The Summer Bicycle tag must be secured on the bike's handlebars.

Abandoned or unclaimed bicycles will be held for 60 days, at which time the owner shall be presumed to have relinquished legal title. Junk bikes (i.e. damaged or un-repaired) abandoned on campus will be disposed of as trash.

Violations of bike rules may be cited as a violation of the University Traffic and Parking Regulations.
