UNIVERSITY OF
NOTRE DAME

GovConnection Is a *buyND* Supplier

GovConnection is an IT solutions provider that helps academic institutions solve educational challenges through effective use of technology. We make your mission our mission and support it with personal service, technical expertise, and customized IT solutions—all through your dedicated Notre Dame Account Team.

Get It All When You Partner with GovConnection

- **We Know Notre Dame**—Our sales team knows your environment with over 7 years of experience as Notre Dame's peripheral contract supplier.
- **Single Point of Contact**—Connect with 150,000 technology products, a team of technical experts, and a full line of IT services—all through a single phone call to your dedicated GovConnection Account Team.
- **Custom Server Configuration**—Save time and resources by having your servers arrive fully configured to your specifications.
- **Multiple Payment Options**—We understand the intricacies of academic procurement cycles and make it easier for you by accepting Notre Dame purchase orders and ProCards as acceptable payment methods.
- **Ongoing Leadership**—GovConnection is your best source for emerging technology and best practices. Each year, we hold Tech Summits in varied locations around the country to bring together IT managers and CIOs to foster collaboration between universities.
