

# FIGURES FOR "THE LOGIC OF CAUSAL ORDER"

Figure 1.

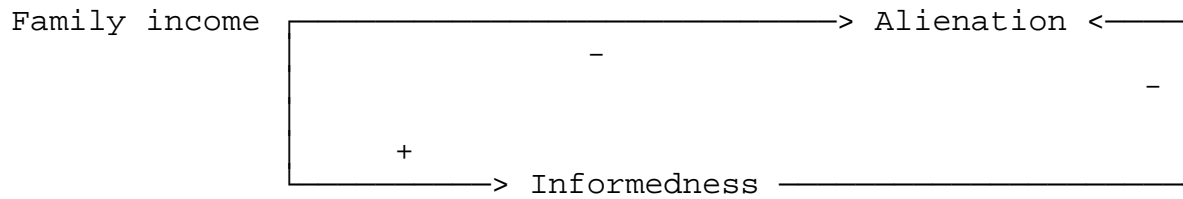

Figure 2.

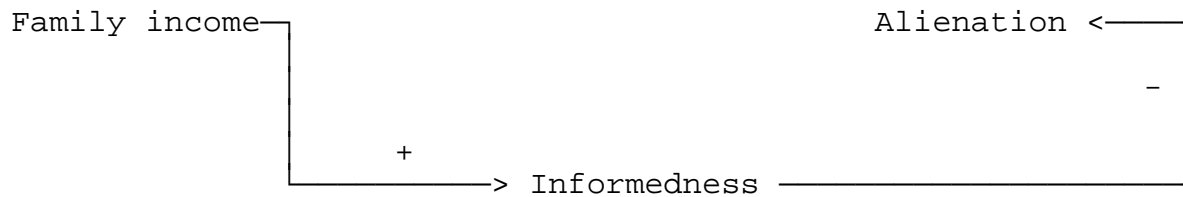

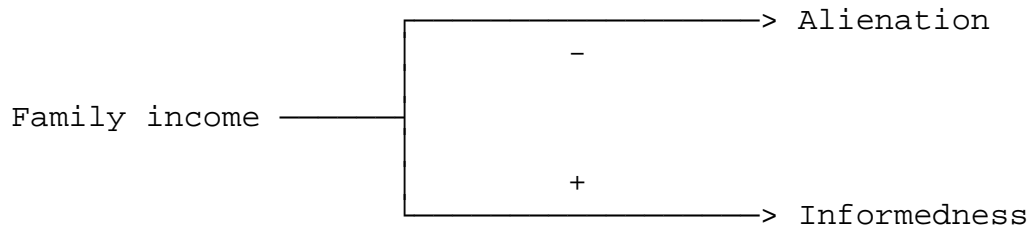

Figure 3.

According to each of the above models, which person is less likely to be alienated? The options are: Bobby is probably less alienated, Bethy is probably less alienated, Bobby and Bethy are equally likely to be alienated, or not enough information to make a guess.

	Bobby	Bethy	Fig 1	Fig 2	Fig 3
1.	Poor	Rich			
2.	Poor Informed	Rich Informed			
3.	Poor Informed	Rich Uninformed			
4.	Informed	Uninformed
